Srivilliputhur, India

Secondary School Certification

Valluvar Vidhyalaya Matriculation Higher Secondary School

Percentage : 81%

07/2018 - 07/2019

Srivilliputhur, India

PROJECTS

E-Commerce Website Using HTML | CSS | Javascript

- I developed an ecommerce website using HTML ,CSS and Javascript . It includes product browsing , a shopping cart , and a checkout process

Portfolio Website Using HTML | CSS

- created and implemented a dynamic portfolio website that demonstrated expertise in web development. Then I entered all of my personal information; this was easy to utilize.

QR code Generator website Using ReactJS

- Developed a QR Code Generator website using ReactJS. It generates customizable QR codes based on user input, ensuring a seamless and interactive user experience.

POS Website Using Angular | MongoDB | ExpressJS

- Developed a POS (Point of Sale) website using Angular, MongoDB, and ExpressJS. The application ensures seamless transaction management, efficient database handling, and a user-friendly interface for retail operations.

ACHIEVEMENTS
